

Statement from CTMR Church Leaders: Southport incident 30/07/2024

As church leaders, and on behalf of those we represent, we share with others across our communities our sense of shock, sadness and horror at the events which took place in Southport on 29th July. Life is a precious gift, and for it to be taken from children so young is truly heartbreaking. We offer our sincere condolences to the families and loved ones of all of those whose lives have been lost. We pray for those who remain critically ill and injured. We hold everyone affected by this awful event in our hearts and our prayers, and call upon people of all faiths and none to come together to support them in whatever way we can. We express our thanks to the members of the emergency services and to the medical professionals for their commitment and service in the face of this of this horrific attack. We commit ourselves afresh to standing against brutality and violence in every form and doing all we can to build safe, caring and strong communities.
